RYE CITY SCHOOL DISTRICT
FOOD SERVICE DEPARTMENT

Rye City School District makes effort to identify ingredients that may cause allergic reactions for those individuals with food allergies. Effort is made to instruct our food production staff on the severity of food allergies. Because of the number of meals served and the number of items used each day, along with food product changes from our food vendors, it cannot be guaranteed that every allergen in the food served will be identified and labeled. Persons concerned with food allergies must be aware of this risk. Rye City School District cannot assume any liability for adverse reactions to food consumed, or items one may come in contact with while eating at any Rye City School District Dining facility.
