

Dear Parents,

We are pleased to invite you to the Rye City School District Open Registration to join the September 2017 Kindergarten Class. Any child who turns 5 years of age on or before December 1, 2017 is eligible to enroll in Kindergarten.

Kindergarten Student Registration

Registration will open on March 1, 2017 and we ask that you register your child close to that date as this will help the District make projections for class size and number of homerooms. Please do not register prior to March 1 as the District is working on updating the forms.

All Kindergarten students must register through InfoSnap, our online student registration system. A link to register your child for school using the InfoSnap registration system can be found at www.ryeschools.org under the About Us tab, Admissions to School. A new account will need to be created before registering. If you are an already existing family, please sign into the InfoSnap system with your email address and password. If you do not have access to a computer at home, the District has one available for your use at the Central Administration Building office at 411 Theodore Fremd Avenue, Suite 100S. Office hours are Monday through Friday, 8:30 a.m. to 4:30 p.m.

The Rye City School District will send a notification that the registration has been approved once you have fully completed the online application and provided all necessary documentation. If you have questions, please do not hesitate to contact Registrar Janet Gray at gray.janet@ryeschools.org or 914-967-6100, Ext 6282.
