Dr. Shine provided an overview of the purpose of the meeting, to review the most current enrollment data and anticipated class sizes at the three elementary schools.

After discussion, the Board supported three additional elementary school assignments, one at each elementary school, and that Dr. Shine would work with the principals to determine which grade levels at each school would have one section added. Dr. Shine said the District office would work aggressively with new registrants to offer them enrollment in schools with the smallest class size. It was agreed that the policy dealing with enrollment would be reviewed and considered for revision during the 2008-2009 school year.

There being no further business, on a motion by Mr. Zahm, seconded by Ms. Egan and carried unanimously (4-0) it was voted at 9:33 a.m. to adjourn into executive session for the discussion of the employment of current and prospective employees.

Mr. Nathan adjourned the meeting at 9:45 a.m.
