REPORT OF THE SUPERINTENDENT

Dr. Shine shared news from throughout the District's schools.

- Dr. Shine began by announcing that the Rye City School District was named to the College Board's Second Annual AP District Honor Roll for simultaneously increasing

access to Advanced Placement course work while maintaining or increasing the percentage of students earning scores of 3 or higher on AP Exams. The list includes 367 school districts across the U.S. and Canada. We are proud of all of our AP scholars at Rye High School. On that same note, sixty-four of our High School students have earned 2011 AP Scholar Awards from The College Board in recognition of their exceptional scores on the Advanced Placement Exams. Eight students earned the status of National AP Scholars, a title presented to students who receive an average score of at least four on all AP Exams taken, and scores of four or higher on eight or more of these exams. Forty-seven students were named AP Scholars with Honor, for receiving an average score of at least 3.25 on all AP Exams taken, and scores of three or higher on four or more of these exams. Nine students were recognized as AP Scholars, a distinction granted to students who receive scores of three or higher on three or more AP exams.

- Our student athletes are academic achievers as well: High School students Annie VanWagenen and Tori Virtue were named Golden Dozen winners. This is a very prestigious academic and athletic award for field hockey players, and was presented to only 12 students from all of Westchester, Putnam, and Rockland Counties.
- The Girls Swim Team participated in trial meets last week and did an excellent job, finishing fourth in finals with several of the girls qualifying for states. State-level qualifiers from the two nights are Charlotte Nixon, Melissa Fulenwider, Kelly Delane, Katie Konopka. Junior Melissa Fulenwider, who won two individual events at sectionals and qualified for four events to states, was named the Team's Swimmer of the Week. In addition to the Swim Team's accomplishments, other athletes will be going to state competitions this week. Congratulations to Coco Darelius for Diving and Taylor Love for Cross Country. Taylor placed 17th in the Cross Country State Tournament this past Saturday, November 12th. He placed 2nd in Section One and was therefore chosen to represent the Section in the Federation State Meet this weekend, November 19th.
- The 20th Annual Deane Flood Memorial Run/Walk was held on November 15 to raise money for the Deane Flood Scholarship Fund.
- Dr. Shine extended congratulations to Midland School Psychologist Dr. Anat Mor, who was named 2011 School Psychologist Practitioner of the Year for the Westchester, Putnam, and Rockland Chapter of the New York Association of School Psychologists. Dr. Mor was recognized for this honor during the chapter meeting on November 4, and was nominated for the award by Dr. Grille.
- Milton School fifth grader Julia Bateman competed in the NFL Punt, Pass & Kick at a recent Giants game and came in third place for all 10-11 year old girls in New York, New Jersey, and Connecticut. Julia had the opportunity to meet several NFL players and even tried on Sean Landeta's Super Bowl rings and high-fived Eli Manning, Ahmad Bradshaw and Steve Weatherford.

- Our next Heard in Rye presentation will be held this Thursday, November 17, at 7:30 p.m. here in the Multipurpose Room. The featured speaker is Bob Bigelow, a four-year NBA player who will lead the discussion titled, “Adults and Children in Organized Youth Sports: Who Wins, Who Loses?” Bob is also author of the book, Just Let the Kids Play, which will be sold at the event.

Hearing of the Public on Non Agenda Items

Mr. Bertrand deFrondeville addressed Ms. Kendall Egan asking her the reason that she did not support the Superintendent’s Recommendation for the bond vote.

Ms. Egan indicated that she wanted her explanation of her No Vote on the recommended bond be shared in front of her colleagues and recorded on tape. She indicated that she voted yes on the necessity of the work to be done at the high school, but did not support the scope and recommended dollar amount of the bond. Ms. Egan felt that the vote was hurried and did not include all of the items that she would have liked the bond to have included.
