SCHOOL DISTRICT GOALS AND OBJECTIVES

In furtherance of its educational philosophy, the Rye City School District Board of Education hereby establishes the following goals:

1. All students will meet or exceed state standards.
2. All administrators, teachers and staff will perform at the highest professional levels to ensure the success of all students.
3. All staff and students will consistently demonstrate respect and concern for others.
4. All school administrators and the Board will ensure that instructional programs and District operations are performed in a fiscally responsible manner.
5. All members of the school community will engage and communicate with the broader community and contribute in a positive manner.

In addition, the District believes that its goals are attainable when the following objectives exist:

1. to employ the best possible school staff, including both professional and support personnel;
2. to encourage the development of meaningful, interpersonal relationships among the students, the staff and community;
3. to ensure that staff, students, and parents are afforded opportunities for meaningful participation in the work of the District;
4. to encourage all students to:
 - a. develop skills in reading, writing, speaking, listening and mathematics as well as develop skills in oral and written English to communicate effectively;
 - b. learn how to examine and use information by using scientific methods, critical thinking and available technology;
 - c. develop a desire for learning now and in the future by encouraging intellectual curiosity and eagerness for life-long learning;

- d. develop good character and self-respect by encouraging development of standards of personal character and ideas;
 - e. develop pride in their achievements and progress and a feeling of self-worth;
5. to promote the development of a true spirit of community among our schools.
