

RYE CITY SCHOOL DISTRICT
RYE, NEW YORK

6760

CONSTRUCTION PAYMENT PROCEDURES

The Assistant Superintendent for Business shall closely monitor the construction activities of capital projects. The Assistant Superintendent for Business shall track and review monthly progress as it relates to project payments with the construction manager and architect for accuracy prior to approval for payment by the District.

Procedures to be followed in paying architects, engineers and contractors for work completed are clearly defined within the school system's construction contract drafted by District counsel and approved by the Board.

The final payment to the architect, engineer or contractor will not be made until all provisions of contract agreements have been fulfilled and authorized by the Superintendent.

Payments for duly authorized change orders shall be approved by the Board of Education and are subject to State Education Department approval.

Adoption Date: February 14, 2012

Effective Date: February 15, 2012

Revised Policy Adoption Date: July 1, 2013
