

SAMPLE REPORTS USED FOR DATA ANALYSIS BY TEACHERS AND ADMINISTRATORS

3.1.2 ELA Grade Strengths and Weaknesses

Teacher Guidance for 2016-17 School Year

Grouped by Building; Sorted by Scale Score descending, Student Name ascending

Report Description:

The report's measures are based on raw score points. The Performance Levels are broken into sublevels of L(ow), M(edium), and H(igh) based upon the student's scale score.

The Strengths and Weaknesses identified above are benchmarked to the Regional Mean. The Regional Mean is BELOW Proficiency. Hence, it is possible to be "Within" in each category, but score below Proficiency.
